## Essential Playzone aka “The Zone” Saturday Reading/Math Assessment Boot Camps

Effective reading and math skills are essential for young people to become successful in their communities and careers. This summer, we will host a multitude of boot camps aimed at improving the reading skills of youth in Elementary (E): Grades 3<sup>rd</sup>-5<sup>th</sup> and Middle School (M/S): Grades 6-8<sup>th</sup>.

**MAP Testing** is a necessary evil that all children need to be prepared to participate in at the end of the school year. We are here to make sure that your child performs well in these tests and their scores accurately represent their skill-level.

In general, each *Saturday Camp* is from 9-2pm. It emphasizes critical assessment skills particular to that student’s grade level, in order to better equip them for the upcoming testing.
